SUMMER CAMPS 2012

Tornado Camps are offered to 4th-12th grade boys and girls. All camps are open to the public; you do not need to be a Tornado club member in order to participate in any of our camps. We offer camps for all skill levels. Beginning to intermediate volleyball players would benefit from our All Skills Camp as we target all the basic fundamentals. We also offer specialty camp for beginning to intermediate players needing extra help on one specific skill. Tornado Position Camps are for intermediate to advance volleyball players who are looking to fine tune their skills and already know what position they will be trying out for. For the advanced volleyball player Tornados offers an Elite Camp that is run by some of the best Division I college coaches and top level club coaches from across the nation. This camp is the most intense camp that Tornados offers and is only for athletes playing at the highest levels of club. If you are looking for a team camp to get your school ready for their school season then Tornados has the perfect preparation camp for you and your team. We offer team building camps in July for high school level and one in August for the junior high. For more information contact program director, Erikka Gulbranson at egulbranson@texastornados.org. Also check our website to register! www.texastornados.org
